The Honorable Paul H. Douglas
Chairman of the Joint Economic
Committee
Room 23B
Senate Office Building
Washington 25, D.C.

Dear Mr. Chairman:

Attached hereto is a statistical compilation on the national economy of the USSR, which was translated from the Russian version issued by the Central Statistical Administration of the USSR. It is my understanding that this document is of interest to your Committee. A copy of the Russian version has been previously furnished to the Committee, and we have sent, under separate cover, a number of copies of the English translation to the staff.

In the event that you or the Committee would like to receive additional copies of this document, we will be happy to furnish them.

Sincerely,

Allen W. Dulles
Director
